Distributors with 5 qualified customers earn an additional 2% on their binary payout and unlock spillover for Live Point (LP) point requirements. 4. Distributors must have at least 100 Personal Rank Volume (RV) starting from Gold Executive to receive a Steady Bonus. 5. Steady Bonus payout is derived by taking the monthly payout earned divided by the number of Fridays in that month. 6. On September 23, 2025 this percentage will decrease to 65%.

HOW IT WORKS:

- The **green section** outlines how to achieve a rank.
- The **yellow section** defines how to qualify for Team Building Commissions after achieving the rank.
- The **blue section** shows how to earn the Steady Bonus after achieving the rank.

All volume metrics - Rank Volume (RV), Commissionable Volume (CV), and Live Points (LP) - are measured within a rolling 4-week commission month (current week + past 3). Weeks begin Tuesdays at midnight MT and end Mondays at 11:59 PM MT.

EXAMPLE 1: Generating Volume & Achieving a Rank

There are three types of volume that can be generated from an order

1. Rank Volume (RV) is generated on orders whether it is a physical product or a digital product. Both types of orders go towards your rank.
2. Commissionable Volume (CV) is generated through the sale of physical products and the JIFU Travel Portal. This volume is paid out through the Team Building Commission.
3. Live Points (LP) is generated through the sale of digital education products. This volume is paid out through the Steady Bonus.

As an example, to achieve the rank of Silver Executive you must achieve 700 RV, which could be generated as follows from your downline or retail purchases of any combination of digital education, physical products, or travel:

- 5 JIFU Live subscriptions (1 LP / 100 RV per subscription) = 500 RV
- 2 Bottles of STM (65 CV/65 RV per Bottle) = 130RV
- 4 Travel Portal subscriptions (25 CV/25 RV per subscription) = 100 RV
- TOTAL – 730 RV

EXAMPLE 2: Team Building Commission

To earn a 14% commission on weak leg CV, reach the Elite Executive rank by meeting these conditions:

- 50 Personal RV
- 12,500 Enrollment Tree RV (with no more than 8,125 RV from any single enrollment leg)
- 3 qualified personal enrollees on both binary legs

Once you've hit Elite Executive, generate 12,500 CV in your weak leg during the commission month. If your weak leg generates 10,000 CV during a week, you earn:

$$10,000 \times 14\% = \$1,400$$

EXAMPLE 3: Steady Bonus

To earn a \$5,000 monthly bonus (paid weekly):

1. Achieve Elite Executive rank
2. 100 Personal RV (from your personal purchases or purchases made by your personally enrolled retail customers)
3. Accumulate 125 LP in your weaker binary leg
4. Match that with 125 LP in your Enrollment Tree

Your weekly payout:

- \$1,250 per week (if the month has 4 Fridays)
- \$1,000 per week (if the month has 5 Fridays)

Note: Information on additional bonuses and aspects of the compensation plan can be found here at <https://jifu.com/wp-content/uploads/JIFUPAYPATH.pdf>

THIS STRATEGIC AND REWARDING PAY PLAN IS DESIGNED TO RECOGNIZE BOTH PERSONAL EFFORT AND TEAM COLLABORATION EVERY STEP OF THE WAY.
